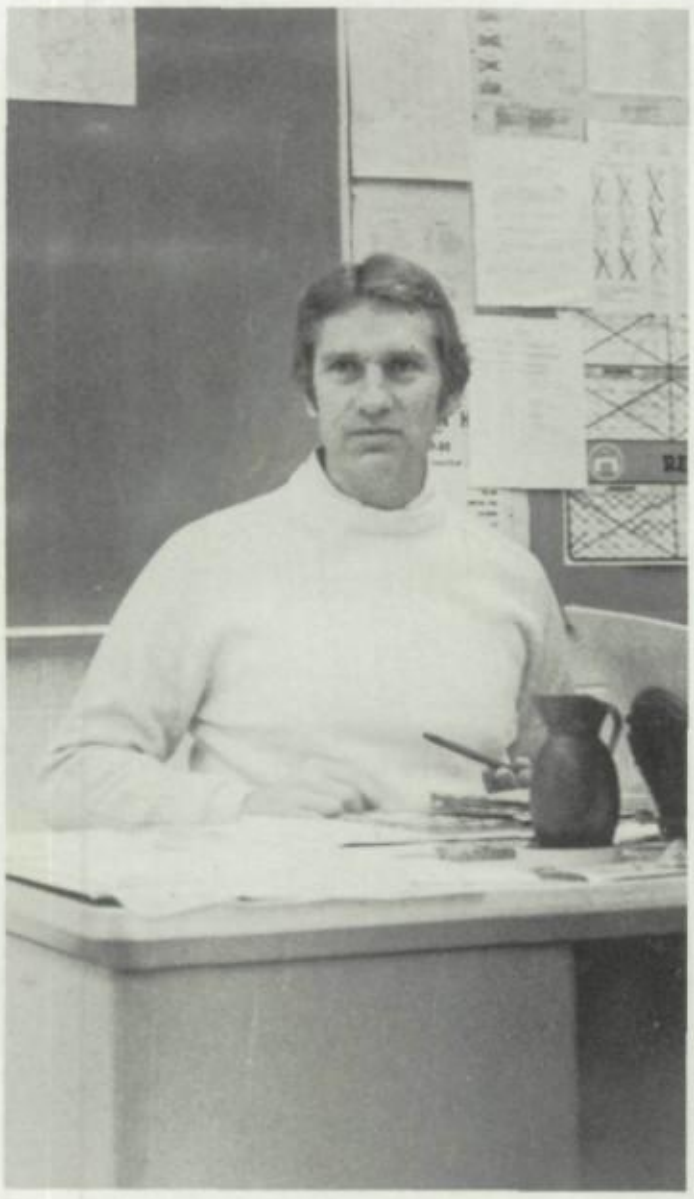
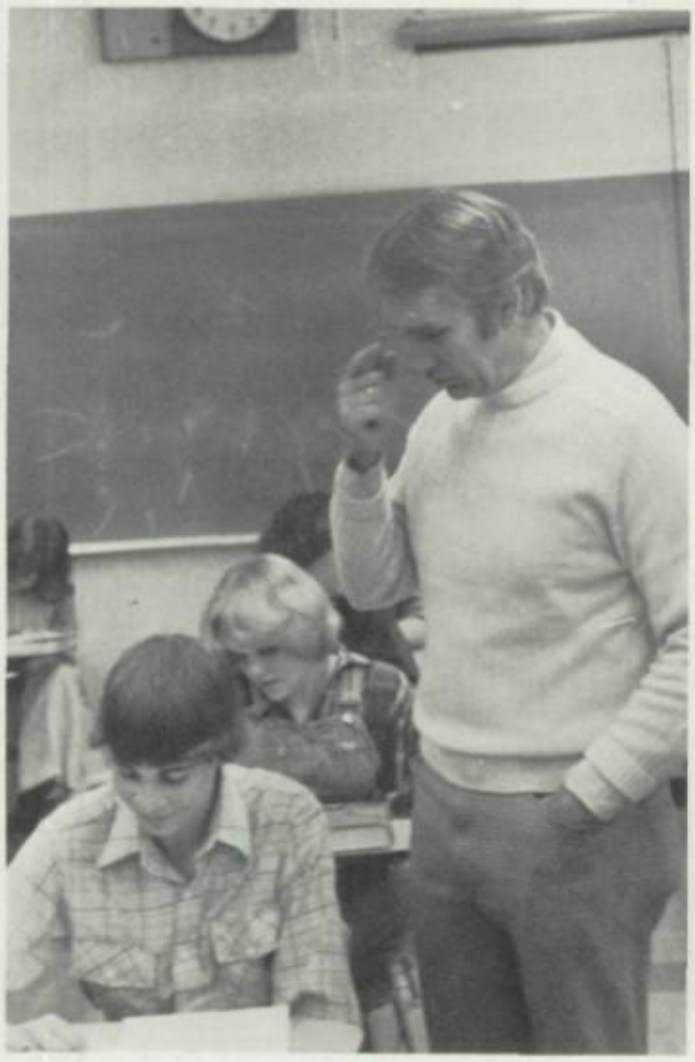
IN APPRECIATION





We the members of the 1980 yearbook staff would like to show our appreciation to a Hamilton High School Staff member. We would like to dedicate our yearbook to him. He is a person whose understanding is shown in his smile. His laughter and jokes fill the air. But, when he gets down to business we are all ready to listen and learn. He rarely raises his voice in anger, whether he is in the classroom or coaching. He has always been willing to share his time with us whenever we needed it. This person whom we all know is a teacher and coach to some of us, but best of all he is a friend who understands all of us. We dedicate the 1980 yearbook to Mr. Wayne Tanis.

Seniors Vault to Virginia Beach

Due to high costs this year, the seniors didn't take the usual trip to Florida. Instead, they went first, to Washington D.C., where they toured many famous sights and ate at the "World Famous" Blackies House of Beef. Next, they spent a day and one-half in glorious sunshine and 90 degree weather in Virginia Beach. They ended their trip with a day at King's Dominion, an amusement park near Richmond, VA. Everyone had a fun-filled week enjoying every minute possible. When it came to an end no one wanted to leave, but everyone was so exhausted from their vacation, they needed a rest at home.

Siesta time.

Here is looking at you.

A long ride.

Let's eat.

Are we there yet?

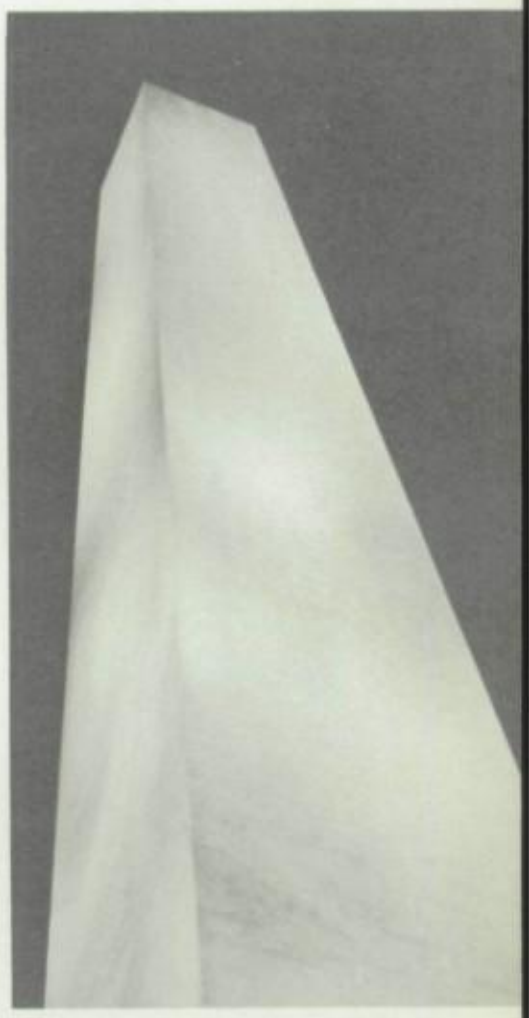
Having fun.

Washington monument.

Good chow.

Ready to roll.

Getting settled.



555 feet and one-third inch.

Chow time.

We're hungry.

Baccalaureate Services Shine on Seniors

This year the Baccalaureate Services were held on Sunday, June 1, at 2:30 in the afternoon. The services took place in the Hamilton Reformed Church. The Reverend John Nieuwsma delivered the message to the seniors, and family, and well wishers that attended the services.

It's finally over.

Whoops!

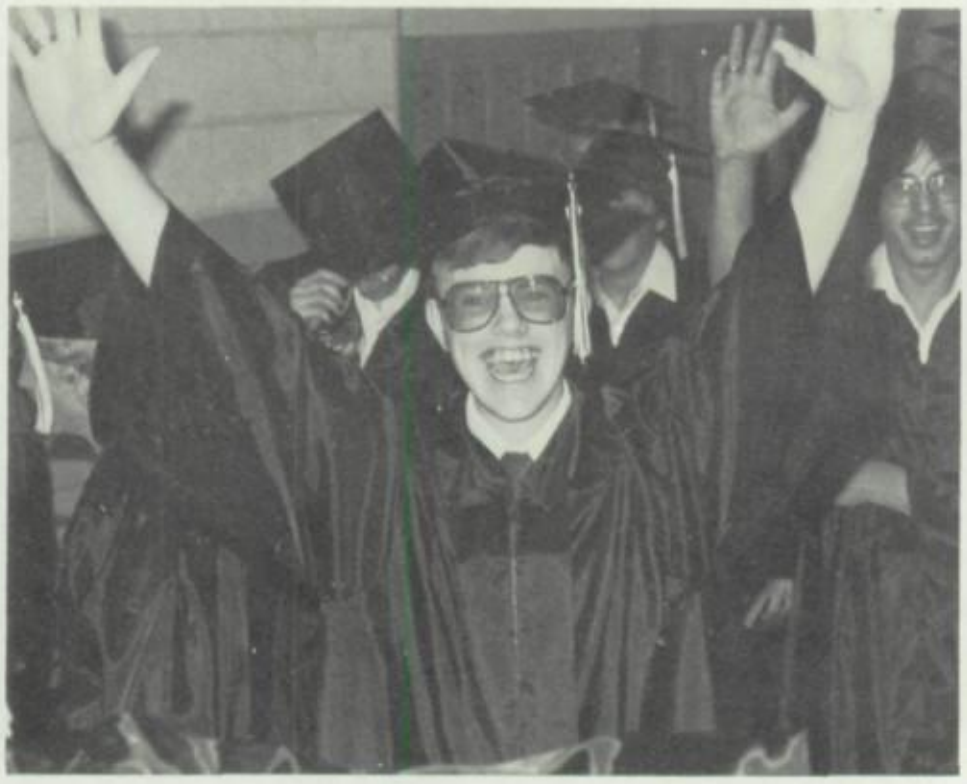
This one is for me.

Helping out.

Ready to go.

Graduation 1980

This year 106 seniors graduated from Hamilton High School on Friday, June 6. This was the 17th class to graduate from Hamilton so far. Valedictorian Bryon Vandewege and Salutatorian Mary Schaap gave student speeches, while Mr. Joostberns, who was chosen by the class, gave the faculty speech. Reverend Jack VanHeest offered the invocation and pronounced the benediction.



Exhilaration!

Was it worth the hassle?

Now wait just a minute . . .

OH boy!

I'm done.

I've got to look just right.

What fun.

YEAR

Spirit Week Sparks Up Hamilton

The Student Council decided to give everyone a bit of a change in Spirit Week, by condensing a week of enthusiasm into three days, with competition between classes. Wednesday was locker decorating day, a day when you could paint and draw on your locker with no objection. Thursday was Saturday Night Live Day, as Rosanne Rosanne Dannas, Widettes, and of course Coneheads could be seen lurking about. Thursday night brought about the defeat of the Junior Guys as the Seniors muscle proved to be too much for them in the Tug-of-War. But the Junior girls evened out the night by being victorious over the Senior girls in the Powder Puff game. Afterwards cider and doughnuts were served as a blazing bonfire provided a warm setting for the announcement of the King and Queen. Friday put an end to spirit half week by the traditional School Colors Day.

Homecoming Highlights Hamilton

Homecoming, the high point of the fall season, was no less spectacular this year than any other. Stuart White and Tami VanderKolk reigned over the day as Homecoming King and Queen. The Senior and Junior High Bands and the introduction of spirit cars added variety to the Annual Homecoming Parade. The Hawkeyes, unfortunately, were defeated 2-16 by Byron Center. Gloom was not around very long, as happy faces could be seen when punch and cookies were served in the library by the court.

Twirp Week Tops Hamilton Activities

The week of February 11-15 was fun-filled, as the Student Council sponsored their annual Twirp Week. Monday started off the week as everyone dressed down for Grub Day. Tuesday was Clash Day. Wednesday was Backwards Day. Followed by High Society and Kissy Face Day on Thursday. Friday ended the week as Red and White Day, and the all favorite Challenge of the Sexes Assembly. This year the boys came through as the "Superior Sex" at Hamilton High School.

Fine Arts Festival

April 17 was date of Hamilton Fine Arts Festival, held in the high school. Halls were decorated with artwork. In the gym, the Home-Ec department displayed some of their talents. Also, the Choralaires, chorus, jazz band, and the band entertained visitors with some music. Later the theater club performed several skits in the gym.

Always and Forever

May 3 was the very special evening for the 1980 Jr-Sr Banquet. Everyone was dressed in their best, and met at Geribee's in Grandville. Steve Drost, Master of Ceremonies, opened the banquet. Everyone enjoyed the delicious dinner of ham or swiss steak. Afterwards they danced to the music of disc-jockey "Starfire." A big thanks to the "Class of 81" for it was a night to remember, "Always and Forever."

GROUPS

Student Council Leads the Action

The student council, under the leadership of President Marianne Boerigter had an active year. In addition to running the candy store the student council members put together twirp week. The Christmas project, spirit week, homecoming and a frisbee assembly were all backed by the hard working group. This year's Christmas project was Bethany Christian Home. More money was given by HHS students and faculty than any other year.

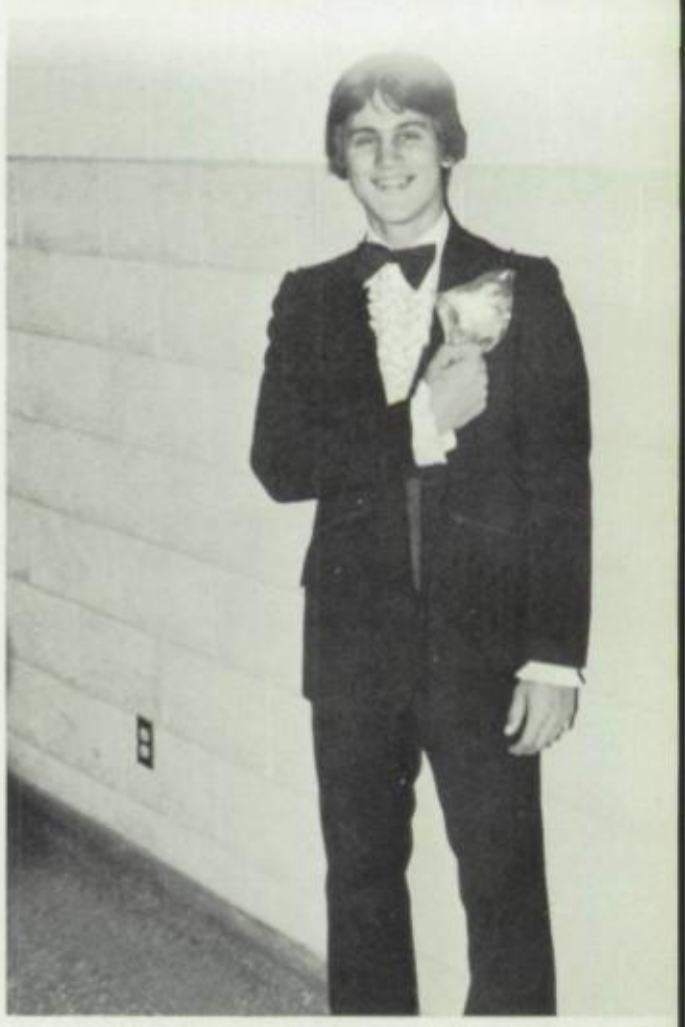
The Portrait Staff

After putting many seemingly endless hours of work in on the 1980 Portrait, it's finished. I would like to thank the few, but faithful, people that helped me. My "Darkroom Technicians" who took and printed tha piles of pictures used. The others that drew lay-outs, cropped pictures, wrote stores, and typed the copy. Also, I'd like to thank Mr. and Mrs. Moore and Mr. Bob Talsma. Especially Mr. Talsma for his patience with all my mistakes. But, last of all, I'd like to thank all the students, who gave us the great poses for our pictures. It's your book, I tried my best. I hope you enjoy it.



School Paper Renamed

Many of us knew the school paper as "The Spectra." But this year Amy Alderton, Editor of the paper, decided to rename the paper. So now it is named "Hawkeye Highlights." Not only does the paper have a new name, it also has a new advisor, Mrs. Manting. The staff tried to cover a variety of areas, that would interest all of the different readers.

Debate Team Analyzes Topics

This year the debate team's topic was, "Resolved: That the United States should significantly change its foreign trade policies." The Varsity Debate Team ended with a 6-8 O.K. Gold record and a 7-5 Holland Area record. The J.V. Debate Team had a 9-5 O.K. Gold record and a 4-4 Holland Area record. Bryon Vandewege was the only 4 year member on the team this year. Bryon broke all the records ever set at Hamilton. In his career, he debated in 56 matches, and scored 1144 points, which left him with an average of 20.4 points per match. Bryon received a medal for placing 5th in the league this year. Coach Verschure thought his teams did an overall good job.

Choralaires Make Harmonious Music

The Choralaires, as usual, covered many different areas of music with their singing. They sang for many of the local churches, for the grandparents on Grandparents Day, and even for the annual Fine Arts Festival. This year the Choralaires were directed and accompanied by Mrs. Manting. Kinda Bleeker also did some of their accompaniment.

Band Makes Sensational Sounds

This year the band, under the direction of Mr. Harthorne, and Drum Major, Gale Goodman, competed in many events. These included: The Allegan County Fair, a marching band competition, Festival and two Tulip Time Parades. They also performed in their usual Christmas, Winter, and Spring Concerts, football games, Homecoming Parade, and Memorial Day Parade.

Seventy Step to Skill Center

Seventy Hamilton students stalked the skill center this year. The students increased their skills in child care, auto mechanics, welding and many other areas. Many juniors who attended the center this year plan to go back next year. The skills students learn at the center will be valuable when they look for a job.

Deutsch Club

The German Club participated in only one major activity this year, International Day. The Germans successfully beat the Spanish Club in both volleyball and soccer. Both clubs also enjoyed the International Meal that was prepared for them.

Club Español

This year the Spanish Club may not have been successful at International Day, but they had fun the entire year. In the fall they made a Spirit Car for the Homecoming Parade. Later in the year they created a Mexican Dinner to raise money for the club. Last of all they ventured to Grand Rapids for a Mexican meal. Some of the club members had a Sub-sale to help raise money for their upcoming trip to Mexico.
